# Artist of the Month

April 2024

*Sabrina Chevallier*

Sabrina Chevallier, is a local artist with interests in many different aspects of art. From photography to digital art, sketching, painting, resin work and soap making, Sabrina seems to do it all. Nature tends to be a common theme within Sabrina's art. You see it in the miniature paintings, the birds and deer on her keychains, and the world around us through her photography.

As with every art medium, Sabrina continues to grow and learn, continuously trying new techniques and digital art programs (just like trying your hand at watercolor painting instead of acrylic or oil painting). And, as with traditional art, the learning process never ends.
